

SALEM BRIDGE CLUB BOARD OF DIRECTORS

MINUTES OF THE ANNUAL MEETING, December 15, 2017.

President Paul Graham called the annual meeting of the members of Salem Bridge Club to order at 12:30 p. m. on Friday, December 15, 2017. He announced that there are three candidates for board of director positions: **Zina Galaka, Paul Graham, and Anita Walker.**

He then opened the meeting to additional nominations. There were none. A motion was made and adopted that the nominations be closed.

The three board of director candidates were elected by unanimous vote.

Paul then announced the recipient of the newly established Club Asset Award. This award was created by the Board at its October meeting at the suggestion of the Club Manager, Mr. Pitzer. It honors club members who extend themselves beyond that necessary to support our organization. We have purchased a plaque to display the names of award recipients. Award recipients will be selected by the club's Board of Directors and announced each year at the club's annual meeting. The first person to receive this award is --

LOREN MEYER.

Paul adjourned the meeting at 12:35 p.m.
